GENERAL PROVISIONS

1. INTRODUCTION

- 1.1 The Employer has entered into a contract of employment with the Chief Financial Officer on a permanent basis, starting from 30 June 2023, in terms of section 57(1) (a) of the Local Government: Municipal Systems Act 32 of 2000 ("the Systems Act").
- 1.2 Section 57(1) (b) of the Municipal Systems Act, read with the contract of employment concluded between the parties, requires the parties to conclude an annual performance agreement. That the parties hereby agree to have this contract developed in terms of the Local Government: Municipal Performance Regulations for Municipal Managers and Managers directly accountable to Municipal Managers.
- 1.3 The parties wish to ensure that they are clear about the goals to be achieved, and secure the commitment of the Chief Financial Officer reporting to the Municipal Manager representing the municipality, to a set of actions that will secure local government policy goals.
- 1.4 This performance contract is between **Zakhele Alex Zukulu**, the Chief Financial Officer, and **Luvuyo Mahlaka**, the Municipal Manager. It is for the 2023/2024 financial year only. The expected performance reflected in this contract is based on the Integrated Development Plan 2023/24 to 2027/28 compiled in 2022/23, and the 2023/2024 Service Delivery and Budget Implementation Plan. The two afore-mentioned documents have been adopted as the working documents of Winnie Madikizela-Mandela Local Municipality and therefore, shall be the basis of performance assessment.

2. STRATEGIC OBJECTIVE

The Chief Financial Officer has the overall responsibility of ensuring that he shall be, subject to the policy directions of the Municipality, responsible and accountable for administratively being in charge of the Budget and Treasury Office, performing such budgeting, accounting, financial statement preparation, financial analysis, financial reporting, investment and cash management, debt management, asset management, supply chain management, financial management and review, and any other functions as may be delegated to him by the Municipal Manager.

In addition to above, he shall be responsible for ensuring that the municipality has and maintains -

- (i) effective, efficient and transparent systems of financial and risk management and internal control; and
- (ii) an appropriate supply chain management and provisioning system which is fair, equitable, transparent, competitive and cost-effective.

3. PERFORMANCE BONUS & ANNUAL SALARY ADJUSTMENT

If the Chief Financial Officer achieves outstanding performance, he shall qualify for the annual performance bonus in accordance with clause 6 of the contract of employment, as amended, entered into between the Municipal Manager and the CFO on 01 December 2022, as well as the results of the performance evaluation agreed to in this contract. The acceptability of the level of his performance or otherwise shall be determined and declared by the performance evaluation team in accordance with the provision of this agreement, following the receipt of a report on the Chief Financial Officer's achievement or otherwise of the KPIs as reflected in clause 4 of this contract.

Annexure A as attached has listed Key Performance Areas (KPAs) and Core Competency Requirements (CCRs) that are worth 100 points in total. Each KPA and CCR consists of Key Performance Indicators that have different weightings; which weightings are then converted by the adopted rating calculator into the final weightings; which final weightings are to be assessed. The achievement of above 160 percent shall be regarded as 100% bonus warranting, above 130 percent to 160 percent, as average and warranting a proportional percentage of performance bonus, above 80 percent to 130 percent shall warrant some form

of in-kind recognition, and below 50 percent, shall require the employer to effect remedial measures that may include an incapacity disciplinary enquiry.

A performance bonus for outstanding performance or an in-kind recognition of effective performance shall only be effected after,

- I. The Annual Report for the financial year under review has been tabled and adopted by the Municipal Council;
- II. An evaluation of performance in accordance with the provisions of regulation 23, and this contract; and
- III. Approval of such evaluation by the Municipal Council as a reward for outstanding performance or effective performance.

The increment for 2023/2024 shall be based on the provisions of the Local Government: Municipal Performance Regulations for Municipal Managers directly accountable to Municipal Managers, 2006. The employer shall grant an annual salary adjustment linked to a cost-of-living adjustment based on market indicators, which is not performance based.

4. EVALUATING PERFORMANCE

The evaluation of the employee's performance will form the basis for rewarding outstanding performance or correcting unacceptable performance.

The annual performance appraisal will involve:

- I. Assessment of the achievement of results as outlined in the performance plan;
- II. Assessing the extent to which the specified standards or KPIs have been met with due regard to ad-hoc tasks that had to be performed under the KPAs and CCRs.

The criterion upon which the performance of the employee shall be assessed consists of two components, both of which shall be contained in the performance plan: -

- I. The employee must be assessed against both components, with a weighting of 80:20 allocated to the KPAs and the CCRs respectively;
- II. Each area of assessment will be weighted and will contribute a specific part to the total score.

A five-point rating scale to be used for both KPAs and CCRs, is as depicted hereunder:

The appraisal indicates that the Employee has achieved above fully effective results against more than half of the performance criteria and indicators and fully achieved all others throughout the year.

- III. A score of above 160%, to qualify for a 14% bonus.

A performance bonus may not be paid on a pro-rata basis as the bonus is paid annually after complying with the legal requirements captured in this contract and the applicable laws.

The performance achievement ranging from 80% to 130% shall be regarded as fully effective and therefore warranting the employer to acknowledge and or recognize the employee, whichever is necessary. This category of performance acknowledgement and recognition is a non-financial rewards system. It will apply as follows:

- i. A score of 80% to 100%, to receive a letter of acknowledgement and recognition issued by the Municipal Manager;
- ii. A score of above 100% to 120%, to receive a recognition certificate from the Mayor;
- iii. A score of above 120% to 130%, to receive an academic/skills development programme grant to a maximum of R20 000.00 only; this to be paid directly to a learning institution of choice.

The selected programme must be linked to the personal development plan (Annexure B).

6. CONSEQUENCE OF SUBSTANDARD PERFORMANCE

Where the employer, at any time during the Chief Financial Officer's employment, is not satisfied with the Chief Financial Officer's performance with respect to any matter dealt with in this Agreement, the employer will give notice to the Chief Financial Officer to attend a monitoring and review meeting.

This contract is subject to the employment contract which the Chief Financial Officer entered into on accepting his position and to South African legislation. In the case of any ambiguity, the employment contract shall prevail over this performance contract.
