3. PRICING INFORMATION

The Service provider is to complete the pricing information as per Bill of Quantities attached for each road. Payments will be based upon verification of work done with the confirmation of appropriate test results to ensure quality control.

4. KEY CONSIDERATIONS

- The Service provider must provide a programme of works and cashflow projections for each project priced for in order to be eligible for work allocation
- Where multiple projects are quoted for, the service provider must provide a separate project team for each of the projects for each project meeting the prescribed minimum requirements in the original tender document in order to be eligible for allocation in the form of :
 - o Contract Manager / Project Manager
 - o Foreman/ Site Agent and,
 - o OHS Officer

5. METHOD OF PAYMENT

The Client will pay for work done as per schedule of quantities which is re-measurable and will be subject to the conditions set out in the "STANDARD SPECIFICATION FOR ROAD AND BRIDGE WORKS FOR STATE ROAD AUTHORITIES" (COLTO 1998). This publication is available and tenderers must obtain copies at their own cost from the South African Institution of Civil Engineering (SAICE), Private Bag X200, Halfway House 1685, Tel: (011) 805 5947, Fax: (011) 805 5971, e-mail: civilinfo@saice.org.za.

Vision: A vibrant socio economic growing municipality that creates sustainable communities with equal opportunity for all.
