In addition to above, he shall be responsible for ensuring that the municipality has and maintains -

- effective, efficient and transparent systems of financial and risk management and (i) internal control; and
- an appropriate supply chain management and provisioning system which is fair, (ii) equitable, transparent, competitive and cost-effective.

### PERFORMANCE BONUS & ANNUAL SALARY ADJUSTMENT 3.

Annexure A as attached has listed Key Performance Areas (KPAs) and Core Competency Requirements (CCRs) that are worth 100 points in total. L. M XX LOM W

A performance bonus for outstanding performance or an in-kind recognition of effective performance shall only be affected after,

- I. The Annual Report for the financial year under review has been tabled and adopted by the Municipal Council;
- II. An evaluation of performance in accordance with the provisions of regulation 23, and this contract; and
- III. Approval of such evaluation by the Municipal Council as a reward for outstanding performance or effective performance.

The increment for 2025/2026 shall be based on the provisions of the Local Government: Municipal Performance Regulations for Municipal Managers directly accountable to Municipal Managers, 2006. The employer shall grant an annual salary adjustment linked to a cost-of-living adjustment based on market indicators, which is not performance based.

### 4. **EVALUATING PERFORMANCE**

The evaluation of the employee's performance will form the basis for rewarding outstanding performance or correcting unacceptable performance.

- I. Assessment of the achievement of results as outlined in the performance plan;
- II. Assessing the extent to which the specified standards or KPIs have been met with due regard to ad-hoc tasks that had to be performed under the KPAs and CCRs.

The criteria upon which the performance of the employee shall be assessed consists of two components, both of which shall be contained in the performance plan: -

- The employee must be assessed against both components, with a weighting of 80:20 allocated to the KPAs and the CCRs respectively;
- II. Each area of assessment will be weighted and will contribute a specific part to the total score.
