Dear Mr Mahlaka

**Report of the Auditor-General on the financial statements, annual performance report, compliance with legislation and other legal and regulatory requirements of Winnie Madikizela Mandela Local Municipality for the year ended 30 June 2025**

1. The above-mentioned report of the Auditor-General is submitted herewith in terms of section 21(1) of the Public Audit Act No. 25 of 2004 (PAA) read in conjunction with section 188 of the Constitution of the Republic of South Africa and section 126(3) of the Municipal Finance Management Act 56 of 2003 (MFMA).
2. We have not yet received the other information that will be included in the annual report with the audited financial statements and the annual performance report and have thus not been able to establish whether there are any inconsistencies between this information and the audited financial statements, the annual performance report or our report on compliance with legislation. You are requested to supply this information as soon as possible. Once this information is received it will be read, and should any inconsistencies be identified, these will be communicated to you and you will be requested to make the necessary corrections. Should the corrections not be made we will amend and reissue the audit report.
3. In terms of section 121(3) of the MFMA, you are required to include the auditor's report in the municipality's annual report to be tabled.
4. Prior to printing or copying the annual report which will include the auditor's report you are required to do the following:
  - Submit the final printer's proof of the annual report to the relevant senior manager of the Auditor-General of South Africa for verification of the audit-related references in the auditor's report and for confirmation that the financial statements, annual performance report and other information are those documents that have been read and audited. Special care should be taken with the page references in your report, since an incorrect reference could have audit implications.

- The signature *Auditor-General* in the handwriting of the auditor authorised to sign the audit report at the end of the hard copy of the audit report should be scanned in when preparing to print the report. This signature, as well as the place and date of signing and the Auditor-General of South Africa's logo, should appear at the end of the report, as in the hard copy that is provided to you. The official logo will be made available to you in electronic format.
5. Please notify the undersigned Senior Manager well in advance of the date on which the annual report containing this audit report will be tabled.
  6. The confidentiality of information obtained in an engagement must be observed at all times. In terms of section 50 of the PAA and the International Code of Ethics for Professional Accountants of the International Ethics Standards Board for Accountants (*including International Independence Standards*), members of the staff of the Auditor General (AG), or an audit firm appointed in terms of section 25 of the PAA, may not disclose or make available any information obtained during an audit, other than the final auditor's report, to any third party without the permission of the AG or his/her delegate, unless this is to a legislature or internal committee of a legislature or a court in a criminal matter..
  7. Until the steps described in paragraphs 2 and 4 of this document are completed and the annual report is tabled as required by section 127(2) of the MFMA, the audit report is not a final and public document and you are therefore requested to treat it as confidential.
  8. Your cooperation to ensure that all these requirements are met would be much appreciated.

Kindly acknowledge receipt of this letter.

Yours sincerely
