4.2. General

1. Prefeasibility and feasibility reports shall be required as end-of-stage deliverables for stages 3 and respectively, where a major capital project is required for where the total project capital expenditure exceeds R1 billion (including VAT), or where the expenditure per year for a minimum of three years exceeds R250 million per annum (including VAT).
2. Stages 3 and 4 may be omitted for the following:
 - a) a building project with or without related site works; or
 - b) a process-based, somewhat repetitive or relatively standardised project where the risk of failing to achieve time, cost and quality objectives is relatively low.
3. Stages 3 to 9 may be omitted where the required work does not involve the provision of new infrastructure or the rehabilitation, refurbishment or alteration of existing infrastructure.
4. Stages 5 and 6 may be omitted if sufficient information to proceed to stage 7 is contained in the stage 4 deliverable.
5. The infrastructure plan (stage 1), which is informed by demand management requirements as set out in 6.2, initiation reports (stage 0), decisions made during stages 3 and 4 and work in progress in stages 5 to 9, and the procurement strategy (stage 2) shall be reviewed and updated at least once a year.
6. The approval of the infrastructure plan and the securing of the necessary budget shall be obtained prior to advancing to stage 3. All subsequent stages shall only be proceeded with if the necessary budget is in place.
7. A stage shall only be complete when the deliverable has been approved or accepted by the person or persons designated in the institutional arrangements to do so.
8. Activities associated with stages 5 to 9 may be undertaken in parallel or series, provided that each stage is completed in sequence.
9. The level of detail contained in a deliverable associated with the end of each stage shall be sufficient to enable informed decisions to be made to proceed to the next stage. In the case of stages 3 to 6, such detail shall, in addition, be sufficient to form the basis of the scope of work for taking the package forward in terms of the selected contracting strategy. The approvals or acceptances at each gate shall be retained for record purposes for a period of not less than five years of such acceptance or approval in a secured environment, unless otherwise determined in terms of the National Archives and Record Services of South African Act.

4.3. Gateway Reviews

1. Gateway reviews for major capital projects above the threshold of R 50 million.
 - a) The Municipal Manager shall appoint a gateway review team for major capital projects.
 - b) A gateway review team shall comprise not less than three persons who are not involved in the project associated with the works covered by the end of the stage 4 deliverable, and who are familiar with various aspects of the subject matter of the deliverable at the end of the stage under review.
 - c) Such a team shall be led by a person who has at least six years postgraduate experience in the planning of infrastructure projects and is registered either as a professional engineer in terms of the Engineering Professions Act, a professional quantity surveyor in terms of the Quantity Surveying Professions Act or a professional architect in terms of the Architectural Professions Act.
 - d) The members of the team shall, as relevant, have expertise in key technical areas, cost estimating, scheduling and implementation of similar projects.
 - e) The Provincial Treasury shall be notified of a proposed gateway review for a major capital project, three weeks prior to the conducting of such a review.
 - f) Such notification shall be accompanied by a brief outline of the proposed project or package, the names and qualifications of the reviewers and the timeframes for the review.
 - g) The Provincial Treasury may nominate additional persons to serve on the review team.
 - h) The gateway review team shall base its findings primarily on:
 - i. the information contained in the end-of-stage deliverables;
 - ii. supplementary documentation, if any, provided by key staff obtained during an interview process; and
 - iii. interviews with key staff members and stakeholders.
2. The gateway review team shall issue a report at the conclusion of a gateway review, which indicates the team's assessment of the information at the end of a stage and provides findings or recommendations on areas where further work may be undertaken to improve such information, within 30 days of receiving such an instruction.

5. Control framework for infrastructure procurement

1. The responsibilities for taking the key actions associated with the formation and conclusion of contracts including framework agreements above the quotation threshold shall be as stated in Table 2.
2. The responsibilities for taking the key actions associated with the quotation procedure and the negotiation procedure where the value of the contract is less than the threshold set for the quotation procedure of R200 000 shall be as follows:
 - a) the Bid Specification Committee or the Manager-SCM shall grant approval for the issuing of the procurement documents, based on the contents of a documentation review report developed in accordance with the provisions of the standard;
 - b) the delegated Head of Department may award the contract if satisfied with the recommendations contained in the evaluation report prepared in accordance with the provisions of the standard.
3. The responsibilities for taking the key actions associated with the issuing of an order in terms of a framework agreement shall be as stated in Table 3.

6. Infrastructure delivery management requirements

6.1. Institutional arrangements

A. Committee system for procurement

i. General

- a) A committee system comprising the Bid Specification Committee, Bid Evaluation Committee and Bid Adjudication Committee shall be applied to all procurement procedures where the estimated value of the procurement exceeds the financial threshold for quotations and to the putting in place of framework agreements for projects in excess of R300 000.
- b) The bid evaluation committee shall, where competition for the issuing of an order amongst framework contractors takes place and the value of the order exceeds the financial threshold for quotations, evaluate the quotations received.
- c) The persons appointed in writing as technical advisors and subject matter experts may attend any committee meeting.

 - iii. A professional landscape architect or a professional landscape technologist in terms of the Landscape Architectural Profession;
 - iv. A professional project manager or a professional construction manager in terms of the Project and Construction Management Professions Act; or
 - v. A professional quantity surveyor in terms of the Quantity Surveying Profession Act.
- d) The bid evaluation committee shall review the evaluation reports prepared in accordance with sub clause 4.2.3 of the standard and as a minimum verify the following in respect of the recommended tenderer:
 - i. the capability and capacity of a tenderer to perform the contract;
 - ii. the tenderer's tax and municipal rates and taxes compliance status;
 - iii. confirm that the tenderer's municipal rates and taxes and municipal service charges are not in arrears;
 - iv. the Compulsory Declaration has been completed; and
 - v. the tenderer is not listed in the National Treasury's Register for Tender Defaulters or the List of Restricted Suppliers.
- e) No tender submitted by a member of, or technical adviser or subject matter expert who participates in the work of the bid specification committee or a family member or associate of such a member, may be considered by the bid evaluation committee.
- f) The chairperson of the bid evaluation committee shall promptly notify the Municipal Manager or chief financial officer or designation of delegate of any respondent or tenderer who is disqualified for having engaged in fraudulent or corrupt practices during the tender process.

iv. Bid adjudication committee

- a) The bid adjudication committee must be composed of at least four directors of the municipality which must include:
 - i. the Chief Financial Officer or, if the Chief Financial Officer is not available, another manager reporting directly to the Chief Financial Officer and designated by the Chief Financial Officer; and
 - ii. a senior supply chain management practitioner.
 - iii. A technical expert in the relevant field who is an official, if such an expert exists

- b) No member of the Bid Evaluation Committee may serve on the Bid Adjudication Committee. A member of a Bid Evaluation Committee may, however, participate in the deliberations of a Bid Adjudication Committee as a technical advisor or a subject matter expert.
- c) The bid adjudication committee shall consider the report and recommendations of the bid evaluation committee and:
 - i. verify that the procurement process which was followed complies with the provisions of this document;
 - ii. confirm that the report is complete and addresses all considerations necessary to make an award or a recommendation;
 - iii. confirm the validity and reasonableness of reasons provided for the elimination of tenderers; and
 - iv. consider commercial risks and identify any risks that have been overlooked or fall outside of the scope of the report which warrant investigation prior to taking a final decision; and
 - v. refer the report back to the bid evaluation committee for their reconsideration or make an award or a recommendation to the Municipal Manager on the award of a tender, with or without conditions, together with reasons for such recommendation.
 - vi. refer the report back to the Bid Evaluation Committee for their reconsideration or make a recommendation to the authorised person on the award of a tender, with or without conditions, together with reasons for such recommendation; or
 - vii. alternatively, make a recommendation to the Municipal Manager to award if the value exceeds R50 million.
- d) The bid adjudication committee shall consider proposals regarding the cancellation, amendment, extension or transfer of contracts that have been awarded and make a recommendation to the authorised person on the course of action which should be taken.
- e) The bid adjudication committee shall consider the merits of an unsolicited offer and make a recommendation to the Municipal Manager.
- f) The bid adjudication committee shall report to the Municipal Manager any recommendation made to award a contract to a tenderer other than the tenderer recommended by the bid evaluation committee, giving reasons for making such a recommendation.
- g) The bid adjudication committee shall not make a recommendation for an award of a contract or order if the recommended tenderer or framework contractor has:
 - i. made a misrepresentation or submitted false documents in competing for the contract or order; or
 - ii. been convicted of a corrupt or fraudulent act in competing for any contract during the past five years.
- h) The bid adjudication committee may on justifiable grounds and after following due process, disregard the submission of any tenderer if that tenderer or any of its directors, members or trustees or partners has abused the delivery management system or has committed fraud, corruption or any other improper conduct in relation to such system. The National Treasury and the Eastern Cape Provincial Treasury shall be informed where such tenderers are disregarded.

B. Actions of an authorized person relating to the award of a contract or an order.

i. Award of a contract

- a) The Municipal Manager shall, if the value of the contract inclusive of VAT, is within his or her delegation, consider the report(s) and recommendations of the bid adjudication committee, or in the case of the awards for contracts below the quotation threshold, the recommendation of the bid evaluation committee, and either:
 - i. award the contract after confirming that the report is complete and addresses all considerations necessary to make a recommendation and budgetary provisions are in place; or
 - ii. decide not to proceed or to start afresh with the process.
- b) The Municipal Manager shall immediately notify the Bid Adjudication Committee if a tender other than the recommended tender is awarded, save where the recommendation is changed to rectify an irregularity. Such person shall, within 14 days, notify in writing the Auditor-General, the National Treasury and the Eastern Cape Provincial Treasury of the reasons for deviating from such recommendation.

ii. Issuing of an order

- a) The Head of Department shall, if the value of an order issued in terms of a framework contract, is within his or her delegation, consider the recommendation of the bid evaluation committee or the delegated authority, as relevant, and either:
 - i. authorise the issuing of an order, or
 - ii. decide not proceed or start afresh with the process
- b) The person responsible for authorising an order shall, prior to authorising the issuing of an order:
 - i. confirm that the required goods or services, or any combination thereof, are within the scope of the work associated with the relevant framework
 - ii. consider the recommendations of the evaluation report where competition amongst framework contracts takes place or a significant proportion of the total of the prices is negotiated, based on the financial parameter contained in the framework contract, and either confirm the reasonableness of such recommendations and sign the acceptance of the order, refer the evaluation report and recommendation back to those who prepared it; or
 - iii. decide not to proceed or to start afresh with the process.

C. Conduct of those engaged in infrastructure delivery

i. General requirements

- a) All personnel and agents of the Municipality shall comply with the requirements of the CIDB Code of Conduct for all Parties engaged in Construction Procurement. They shall:
 - i. behave equitably, honestly and transparently;
 - ii. discharge duties and obligations timeously and with integrity;
 - iii. comply with all applicable legislation and associated regulations;
 - iv. satisfy all relevant requirements established in procurement documents;
 - v. avoid conflicts of interest; and
 - vi. not maliciously or recklessly injure or attempt to injure the reputation of another party.
- b) All personnel and agents engaged in the municipality's infrastructure delivery management system shall:
 - i. not perform any duties to unlawfully gain any form of compensation, payment or gratification from any person for themselves or a family member or an associate;
 - ii. perform their duties efficiently, effectively and with integrity and may not use their position for private gain or to improperly benefit another person;
 - iii. strive to be familiar with and abide by all statutory and other instructions applicable to their duties;
 - iv. furnish information in the course of their duties that is complete, true and fair and not intended to mislead;
 - v. ensure that resources are administered responsibly;
 - vi. be fair and impartial in the performance of their functions;
 - vii. at no time afford any undue preferential treatment to any group or individual or unfairly discriminate against any group or individual;
 - viii. not abuse the power vested in them;
 - ix. not place themselves under any financial or other obligation to external individuals or firms that might seek to influence them in the performance of their duties;
 - x. assist the Municipality in combating corruption and fraud within the Local Government Framework for Infrastructure Delivery and Procurement Management (LGFIDM) system;
 - xi. not disclose information obtained in connection with a project except when necessary to carry out assigned duties;
 - xii. not make false or misleading entries in reports or accounting systems; and
 - xiii. keep matters of a confidential nature in their possession confidential unless legislation, the performance of duty or the provision of the law require otherwise.
- c) An employee or agent of the Municipality may not amend or tamper with any submission, tender or contract in any manner whatsoever.

ii. Conflicts of interest

- a) The employees and agents of the Municipality who are connected in any way to procurement and delivery management activities which are subject to this policy, shall:
 - i. disclose in writing to the employee of the Municipality to whom they report, or to the person responsible for managing their contract, if they have, or a family member or associate has, any conflicts of interest; and
 - ii. not participate in any activities that might lead to the disclosure of the Municipality proprietary information.
- b) The employees and agents of the Municipality shall declare and address any perceived or known conflict of interest, indicating the nature of such conflict to whoever is responsible for overseeing the procurement process at the start of any deliberations relating to a procurement process or as soon as they become aware of such conflict, and abstain from any decisions where such conflict exists or recuse themselves from the procurement process, as appropriate.
- c) Agents who prepare a part of a procurement document may in exceptional circumstances, where it is in the Municipality's interest to do so, submit a tender for work associated with such documents provided that:
 - i. the Municipality states in the tender data that such an agent is a potential tenderer;
 - ii. all the information which was made available to, and the advice provided by that agent which is relevant to the tender, is equally made available to all potential tenderers upon request, if not already included in the scope of work; and
 - iii. the bid specification committee is satisfied that the procurement document is objective and unbiased having regard to the role and recommendations of that agent.

iii. Evaluation of submissions received from respondents and tenderers
